

Dear Members,

An eventful year in history that we will all remember for the rest of our lives has passed and a new one has just begun. We wish you and your loved ones the very best for good health, happiness and success in all that you set out to achieve in 2021.

With the country back to **Level 3 Lockdown**, MAWC General Meetings will be postponed till further notice in compliance with the restrictions imposed by government and for your safety.

We will continue to keep you updated on where and when the next meeting will take place via our Facebook page and WhatsApp Notifications.

To those who have tested positive with COVID-19, we wish you the best care and a speedy recovery. To those who have family and friends who have succumbed to the virus, our sincere condolences.

Let's continue to keep safe and work together to flatten the curve.

Yours in Biking

MAWC Executive
